

**Listing of Claims:**

1. (Presently Amended) A medicament for treating erectile dysfunction comprising a homeopathically potentised form of ~~monoclonal~~, polyclonal, ~~or natural~~ antibodyies to an endothelial nitric oxide synthase (NO synthase).

2. (Previously Amended) The medicament according to claim 1, wherein the ~~monoclonal~~, polyclonal, ~~or natural~~ antibodyies ~~is prepared from an entire molecule of~~ are to the whole NO synthase enzyme.

3. (Withdrawn) A method of treating erectile dysfunctions and vegetative disturbances of male climax by regulating the level of cyclic guanosine monophosphate (cGMP) in the cavernous bodies on sexual stimulation characterized by the use of activated forms of ultra-low doses of antibodies to the entire molecule of endothelial NO synthase or to its polypeptide fragments, the activated forms being prepared by multiple consecutive dilutions and exposure to external factors.

4. (Withdrawn) A method of treating according to Claim 3 characterized by using mixtures of various, mostly centimal, homeopathic dilutions of antibodies to the entire molecule of the endothelial NO synthase or to its polypeptide fragments.

5. (Previously Amended) The medicament according to claim 9, wherein said one or more of the homeopathic dilutions comprises one or more centesimal homeopathic dilutions.

6. (Previously Amended) A medicament for treating erectile dysfunction comprising homeopathically potentised form of ~~monoclonal~~, polyclonal, ~~or natural~~ antibodyies are to a fragment of nitric oxide synthase (NO synthase), ~~having~~ consisting of SEQ ID NO:1.

7. (Previously Amended) The medicament according to claim 10, wherein said one or more of the homeopathic dilutions comprises one or more centesimal homeopathic dilutions.

8. (Previously Presented) The medicament according to claim 1, wherein the ~~monoclonal~~, polyclonal, ~~or natural~~ antibody ies is prepared from a polypeptide fragments are to a fragment of the NO synthase enzyme.

9. (Previously Presented) The medicament of claim 1, wherein said homeopathically potentised form comprises one or more homeopathic dilution.

10. (Previously Presented) The medicament of claim 6, wherein said homeopathically potentised form comprises one or more homeopathic dilution.
